

# YOU ARE INVITED TO...

## An Industry Networking Evening

To celebrate the partnership of Engineering at RMIT University (VTC Campus) and Engineers Australia Hong Kong

### VENUE

Staff Canteen, IVE  
20 Tsing Yi Road  
Tsing Yi Island, New Territories

### DATE & TIME

23rd September 2014, 6:30pm

### REGISTRATIONS CLOSE

RSVP by 17th September 2014  
(See below for details)

### OTHER INFO

Cocktails and finger food provided.

Attendance is free.

You are invited to an evening of industry networking to celebrate the partnership of Engineering at RMIT University (VTC Campus) and Engineers Australia Hong Kong.

### Join us to:

- Network with engineering professionals from the Hong Kong industry
- Meet RMIT University's Dean of Engineering, Professor Aleksandar Subic
- Hear about the latest industry updates from the President of Engineers Australia Hong Kong, Mr Paul Freeman; and
- Learn about how Engineers Australia can help advance your engineering career globally.

### About our partnership

Engineers Australia is pleased to provide free student membership to all students undertaking Engineering at RMIT University. Through its Hong Kong chapter, Engineers Australia provides networking opportunities, global insights into the industry and best practice continuing professional development for student members. Engineers Australia is one of the largest and most diverse professional bodies for engineers around the world, with over 100,000 members embracing all disciplines of the engineering team.

### For further information and to RSVP your attendance by 17th September 2014:
