

# WWF Walk for Nature Social Event

Engineers Australia Hong Kong Chapter is supporting World Wide Funds 'Walk for Nature 2018' on **Saturday the 3rd of November 2018** as a social event for members.

Walk for Nature is a great opportunity to connect to nature at Mai Po Nature Reserve, meet the staff of World Wide Fund and hear about the important role of Ramsar sites, such as the Mai Po marshes, and the challenges faced by migratory waterbirds on their journey along the East Asian-Australasian Flyway.

If you are interested in joining us for this social event please visit [this link](#), and register online for the **3rd November (Saturday) 11:30 AM time slot**.

Once you have enrolled please inform EAHK via [info@ieausthk.org](mailto:info@ieausthk.org) with the 'Subject: WWF Walk for Nature'. Registration closes on the **17th of October**.

EAHK participants will also receive an Engineers Australia Hong Kong Polo Shirt.

We hope to see you there!
