Tai Kwun aspires to offer the best heritage and arts experiences, and to cultivate knowledge and appreciation of contemporary art, performing arts and history in the community. Situated in the restored Central Police Station compound, it is one of the most significant revitalization projects in Hong Kong, comprising of three declared monuments—the former Central Police Station, Central Magistracy and Victoria Prison. The highest standards of heritage conservation have been applied at Tai Kwun, with unfailing attention to authenticity, bringing more than a dozen historic buildings to life.
